

2022 Membership Drive

CRTT is an all-volunteer, grassroots organization working to promote pedestrian and bicycling friendly neighborhoods in Catonsville. We convert abandoned rail lines into bike/hike trails and are currently completing the Short Line Trail that runs from Charlestown Senior Living to the firehouse on Frederick Rd. We rely on community donations to develop and maintain trails. Please support CRTT with a generous donation.

Check here v	Level	Member Dues	Gifts Earned
