## *Why sponsor Catonsville Rails to Trails?*

### **Investing in Trails. Strengthening Community.**

For nearly 30 years, Catonsville Rails to Trails has worked to create safe, welcoming trails that connect neighborhoods, businesses, schools, parks, and people. What began as a community vision has become one of Catonsville's greatest assets, bringing thousands of walkers, runners, cyclists, families, and visitors together every year.

**As an all-volunteer 501(c)(3) nonprofit, every sponsorship directly supports trail improvements, maintenance, beautification, and future expansion. Your donation stays right here in our community.**

### **Your Sponsorship Helps Provide**

- Safe, accessible trails for people of all ages and abilities
- Trail maintenance, landscaping, and invasive species management
- Trees, native plantings, and environmental stewardship
- Benches, bike racks, repair stations, and other trail amenities
- Public art, historical exhibits, and wayfinding signage
- Community rides, walks, volunteer events, and educational programs
- Continued advocacy for connecting Catonsville through active transportation

Every sponsorship helps maintain and expand the trails that connect Catonsville's neighborhoods, businesses, schools, and parks for generations to come.
